This supplement contains new lamp forms and treatments designed after the printing of Catalog No. 17. When used with Catalog No. 17, the two will give a complete coverage of our stoneware and walnut lamps.

All of the stoneware lamps may be ordered in any of the glazes shown on our glaze chart, and in a variety of decorations. The shades are made by hand with a wide choice of fabrics and textures from which to choose.

Shipments are made f.o.b. Veedersburg, with standard delivery approximately four weeks from receipt of order.

All prices in this catalog are retail. Prices on East and West Coasts may be slightly higher due to shipping charges.

**OUR STONEWARE ACCESSORIES AND TILE
AND WALNUT TABLES ARE DESCRIBED IN
SEPARATE CATALOGS WHICH ARE AVAIL-
ABLE UPON REQUEST.**
