Jane and Gordon Martz, the designers of the stoneware lamps and accessories, attended Alfred University, the New York State College of Ceramics.

In the summer of 1951, after leaving Alfred, they came to Veedersburg and built a new kiln and kiln building as an addition to Marshall Studios, Inc., a family business since 1922, specializing in hand-made lampshades. Lamps using Marshall shades were immediately a large part of their business.

Recently Mr. Nicholas Marshall has added stoneware tile tables with walnut, teak, or brass edges to the production of the factory.

THIS BOOKLET IS A SUPPLEMENT TO CATALOG NO. 8 OF LAST YEAR. ALL OF THE PIECES IN CATALOG NO. 8 ARE STILL AVAILABLE - INCLUDED HERE ARE NEW LAMPS, NEW LAMP TREATMENTS, NEW SHADE FABRICS, AND A FEW NEW ACCESSORIES. PLEASE NOTE THAT THE PRICE OF CIGARETTE LIGHTERS HAS BEEN INCREASED FROM \$9.00 TO \$10.00 RETAIL.

ORDERING:

SERVICE CHARGE: It is necessary to add a small service charge to orders under \$10.00 to cover the cost of handling and packing.

SHIPPING INFORMATION: Each order is shipped f.o.b. Veedersburg by the most economical means of transportation, according to weight and size. Please specify the carrier desired if you have a preference.

DAMAGE IN SHIPMENT: All of our stoneware is carefully packed when the order leaves our studio and is in perfect condition. If breakage occurs it is necessary for you to file your claim with the carrier to cover the loss.

ORDERING DECORATED TRAYS: Although we cannot use all of our glazes on decorated trays, as on our plain accessories and lamps, we can assort the colors of the applied decoration. The decoration colors available are blue, brown, charcoal, and white. Therefore trays may be ordered in "assorted colors" and variety is possible in the same design.

THE LAMPS are approved by Underwriters' Laboratories, and are fitted with three-way sockets unless stated otherwise. Wood parts used are black walnut, and teak where specified.

THE SHADES are made by hand, and the various textures and materials shown in the lamp photographs are interchangeable. We maintain a complete special order service on lampshades, with full information available upon request.

ABOUT THE WARE

The pieces in this catalog are stoneware—glaze and clay both fired to their maturing temperature, which forms a very hard surface and a very durable ware.

Glazes used are earth colors, as listed below. Any of the glazes may be ordered on any of the undecorated accessories or lamps by changing the second number, the glaze number, to the one wanted. It is necessary to make all decorated pieces in the catalog only as shown in the photographs.

GLAZE VARIATION. Because our ware is fired in periodic kilns, there will be some variation from one firing to another. Therefore, please allow us some variations from one kiln to another, and from our glaze samples.
