MARSHALL STUDIOS, INC.

Veedersburg, Indiana

THIS CATALOG NO. 10 SUPERSEDES OUR CATALOGS NOS. 8 AND 8A, WHICH ARE NO LONGER CURRENT. ONLY THE FORMS AND DECORATIONS SHOWN IN THIS BOOKLET ARE NOW BEING MANUFACTURED.

Our stoneware tile and walnut tables are described in a separate catalog, which will be sent to you upon your request.

Jane and Gordon Martz

Marshall Studios is a family organization, originated in Indianapolis in 1922 by Mrs. Jessie Talbot Marshall. Mrs. Marshall at that time made hand made and hand painted lampshades in her own home. Her son and daughter-in-law, Mr. and Mrs. Nicholas T. Marshall, joined her in this work in 1926, moved to larger working quarters because of business expansion and added many new processes in the production to improve the manufacture of the shades. In 1929 the business was incorporated.

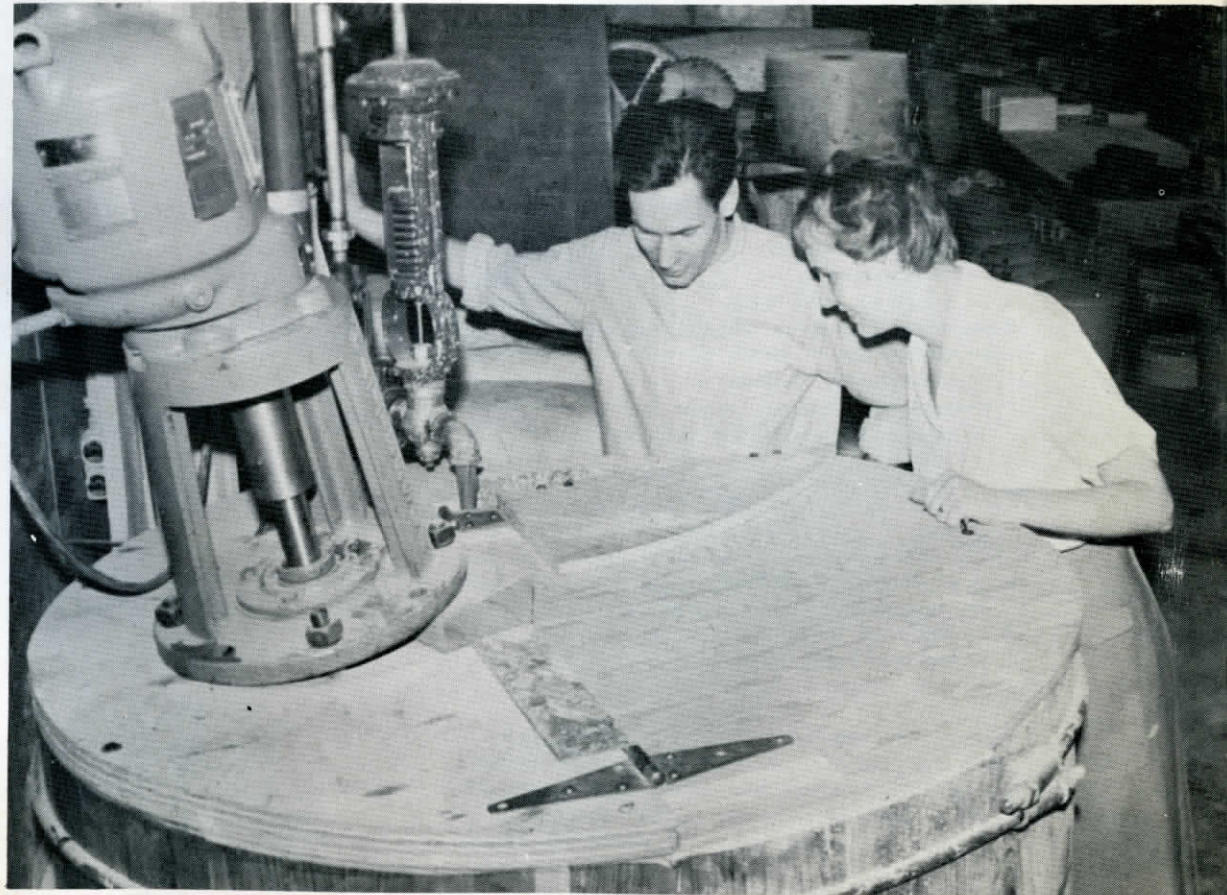

The family and studio moved in 1941 to Veedersburg, a small community near the Wabash river in West Central Indiana.

In 1951 the Marshall's daughter and son-in-law, Jane and Gordon Martz, finished their studies at Alfred University and returned to Veedersburg to add stoneware lamps and accessories to the studio's production. Their ware is made to fill the need for simple, useable accessory pieces and lamps which are designed to be reproduced in molds but still maintain the feeling and expression of the material, stoneware. Their products have been represented in many national and international design shows.

1956 brought the Marshall's son and daughter-in-law, John and Carolyn Marshall, to Veedersburg to handle the business side of the growing studio.

Ann and Jennifer Martz, ages five and three, even now show an active interest in clay products. Ann has decorated several trays and has constructed a clay birthday cake.

Margaret Marshall, age one and one half, has not yet been introduced to clay, but finds the business very interesting - in particular the tape from her mother's adding machine.

ABOUT THE WARE

The pieces in this catalog are stoneware—glaze and clay both fired to their maturing temperature, which forms a very hard surface and a very durable ware.

Glazes used are earth colors, as listed below. Any of the glazes may be ordered on any of the undecorated accessories or lamps by changing the second number, the glaze number, to the one wanted. It is necessary to make all decorated pieces in the catalog only as shown in the photographs.

GLAZE VARIATION. Because our ware is fired in periodic kilns, there will be some variation from one firing to another. Therefore, please allow us some variations from one kiln to another, and from our glaze samples.

ORDERING

SERVICE CHARGE: It is necessary to add a small service charge to orders under \$10.00 to cover the cost of handling and packing.

SHIPPING INFORMATION: Each order is shipped f.o.b. Veedersburg by the most economical means of transportation, according to weight and size. Please specify the carrier desired if you have a preference.

DAMAGE IN SHIPMENT: All of our stoneware is carefully packed when the order leaves our studio and is in perfect condition. If breakage occurs it is necessary for you to file your claim with the carrier to cover the loss.

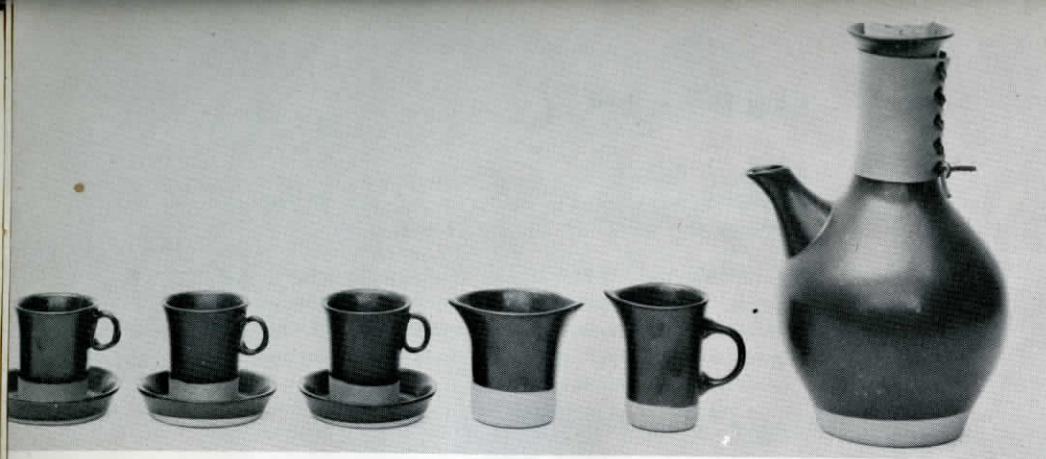

ORDERING DECORATED TRAYS: Although we cannot use all of our glazes on decorated trays, as on our plain accessories and lamps, we can assort the colors of the applied decoration. The decoration colors available are blue, brown, charcoal, and white. Therefore trays may be ordered in "assorted colors" and variety is possible in the same design.

THE LAMPS are approved by Underwriter's Laboratories, and are fitted with three-way sockets unless stated otherwise. Wood parts used are black walnut, and teak where specified.

THE SHADES are made by hand, and the various textures and materials shown in the lamp photographs are interchangeable. We maintain a complete special order service on lampshades, with full information available upon request.

EXTRA CHARGES: It is necessary to add an additional charge of 10% to items which are changed from combinations shown in this catalog, to cover cost of additional work. Of course, this does not apply to changing glaze colors, which may be done for our standard prices. The extra charge is added only for completely different design treatments than we show on the forms.

DELIVERY: Our standard delivery is approximately four weeks from receipt of your order. However, when items are ordered as shown in this catalog delivery time is lessened, as these items are stocked in our studio.
